March 2019

Dear Supporter,

Rattle the Stars invites you to sponsor ***The Animarvels Expo***, an event to celebrate the benefits of animals for mental health and suicide prevention. Importantly, this event provides an opportunity to encourage conversation about mental illness and suicide, helping to normalize and de-stigmatize these topics. Additionally, the event recognizes the valuable coping support that animals provide to those affected by these issues.

The Animarvels Expo will be held on Saturday June 1, 2019 1pm - 6pm at West Side Park in Champaign. In addition to food and music, planned events include animal contests, a pet parade, and play areas for cats and dogs (dependent on funding). Vendors will be invited to provide information about services for pet owners, service animals and emotional support animals, mental health and suicide prevention resources, and community services. People will be invited to share stories about how animals had a positive impact during their experiences with suicide or mental illness and selected stories will be displayed or shared on stage.

Rattle the Stars is a non-profit suicide prevention organization serving the Champaign County area. We provide suicide intervention education to youth, parents, educators, service providers, and other trusted adults, and we provide support and guidance to schools and agencies for developing suicide prevention plans. We also organize and participate in community events for suicide prevention and mental illness awareness. We are currently building capacity to provide support and advocacy to those affected by suicide. All proceeds from this event will support these efforts.

We need your support to make this event a success! The enclosed form outlines the benefits available for your sponsorship. Please return the completed form with your donation by April 15 to ensure that you receive full benefits and acknowledgement.

Thank you for your consideration! If you have questions or need additional information, you may contact me at 217-372-4479 or kbryan@rattlethestars.org.

Thank you,
