April 2019

Dear Supporter,

Rattle the Stars invites you to sponsor **Porrima**, an art showcase for understanding mental illness and suicide. The 4th annual event will be held on Saturday October 19, 2019 1:00pm-10:00pm at the SoDo Theatre 111 S. Walnut Street Champaign.

Porrima provides a space for those affected by mental illness and suicide to express themselves artistically through music, painting, writing, photography, and other art forms. By sharing their feelings and experiences, artists can educate others and support greater understanding of these issues. Importantly, this event presents another opportunity to encourage discussion and conversation about mental illness and suicide, helping to normalize these topics and reduce stigma and shame. Last year's event drew submissions from over 50 artists and allowed hundreds of visitors the opportunity to engage through art and music with the experiences of those affected by mental illness and suicide.

Rattle the Stars is a non-profit suicide prevention organization serving the Champaign County area. In the last year, we have provided suicide prevention information and resources to hundreds of community members while tabling at events and reached countless others through speaking engagements and media promotions. We have trained hundreds of community members in suicide intervention, and we have worked with local high school students to promote acceptance and understanding of mental illness and suicide in their schools. All proceeds from this event will support these efforts.

We need your support to make this event a success. The enclosed form outlines the benefits available for your sponsorship. Please return the completed form with your donation by August 16, 2019 to ensure that you receive full benefits and acknowledgement.

Thank you for your consideration! If you have questions or need additional information, you may contact me at 217-372-4479 or kbryan@rattlethestars.org.

Thank you,

Kimberley K. Bryan
